Sirocco Twin: Use as a high powered single or a full side by side land sailer. Features include steering that allows for either center or offset positioning, so you don't have to play footsie with your passenger.

Sail Area 64 sq. ft
Length 9'
Width 7'6"
Height 17'
Weight 120#s
Max Capacity 400#s – 450#s with heavy duty reinforcement

Sirocco : Is the original all purpose, multi-terrain land sailer. A great boat for those who want a little more power and with available suspension the Sirocco excels on rough pavement, playa and ice.

Sail Area 54 sq. ft
Length 7'6"
Width 6'6"
Height 16'
Weight 100#s (115#s X)
Max Capacity Sirocco S 300#
250# FS Std.
300# FS w/ Heavy Duty Shock

Sirocco Sprint: Ultimately portable the little speedster goes from the trunk of your car to parking lot runner in minutes. Designed for small spaces, the Sprint is highly maneuverable and features the same rugged construction we are known for.

Sail Area 44 sq. ft
Length 5'
Width 5'
Height 15'
Weight 68#s
Max Capacity 300#

All Sirocco models can be equipped for ice with either blades or studded tires. Frames are 6061 aluminum that is tig welded and then hardcoat anodized for protection. All 3 models break down for transport in minutes.
